40 41 42 43 44	Addressing Transmittal, Posting and Publication Requirements; Addressing Severability; and Providing an Effective Date
44 45	Ms. Sanchez presented Resolution 2023-05.
46	Ms. Sanchez and Ms. Gormley reviewed the proposed Fiscal Year 2024 budget,
47	highlighting any line item increases, decreases and adjustments, compared to the Fiscal Year
48	2023 budget, and explained the reasons for any changes. The primary changes, year-over-year
49	were increases in the Supervisors fees, Engineering and Amenity Manager line items, along with
50	numerous line item increases and additions under Field Operations.
51	A Board Member voiced his opinion that the \$25,300 "Amenity Manager" line item is
52	not necessary, as the HOA should be involved and parents should monitor their children.
53	Regarding whether the HOA can staff a CDD amenity, Ms. Hammock stated it would
54	require an agreement whereby the CDD authorizes the HOA do so or the CDD could cost-share
55	the expense; there are options.
56	It was noted that the purpose today is to set the maximum potential budget but the
57	budget can be lowered prior to adoption but it cannot increase from the amount set today;
58	therefore, it is better to budget higher.
59	The following changes were made to the proposed Fiscal Year 2024 budget:
60	Page 1: Delete "Amenity manger" budgeted amount
61	Page 2: Increase "Irrigation maintenance" to \$25,000
62	Page 2: Reduce "Pool resurfacing" from \$54,000 to \$20,000
63	Page 2: Increase "Pool furniture" from \$10,000 to \$12,000
64	Page 2: Delete "Holiday decorations" budgeted amount
65	Discussion ensued regarding the various line items, dissatisfaction with the level of
66	service for certain line items, future major expenses, building fund balance/reserves, whether
67	to and/or when to have the District Engineer perform an inspection and create a report of the
68	CDD's assets, the potential percentage assessment increase year-over-year, etc.

69		Ms. Hammock stated that the version of Resolution 2023-05 included in the agenda is
70	the ty	ype that would be used if the assessments were remaining the same; however, since the
71	asses	sments will increase, a different type of Resolution is necessary.
